SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, concrete, carpeted, or tiled surfaces, or outdoors on grass, gravel, dirt, sand, concrete, clay or asphalt surfaces.

Search Area Sizes are specified in the regulations for AKC Scentwork. Due to the nature of the venue, there will be substantial distances to cover to reach the search area, including uneven ground and variable surfaces.

HANDLER DISCRIMINATION

Handler Discrimination classes are titling classes in which the targeted scent is that of the handler themselves. Handlers are required to provide their own scented articles in a plastic bag, for the Novice class, one cotton glove or cotton sock. Three qualifying scores are required to earn titles in each class. Handlers may utilize any method they feel is best to **scent their article**. Suggestions include rubbing the article on the handler's body or storing the article in dirty laundry.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY: The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. OCOTC and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. OCOTC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against OCOTC or any official thereof.

COLLARS, LEASHES AND HARNASSES: During searches, dogs must wear a properly fitted collar or harness approved by the judge. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

EXHIBITOR CHECK-IN: At check-in, you will receive your armband number and an event catalog. Once the time and location for check-in is determined all exhibitors will be notified by email. **Exhibitors MUST check-in EACH day they are entered.**

RINGSIDE: Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public-address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. If, in the Judge's opinion, **the exhibitor or their dog smells of a target odor**, at the Judge's discretion, a Team may be dismissed from competition.

CLAIMS will be arbitrated as set forth on the Official AKC Entry Form for this event.
